We now offer Route 66 Extended Warranty, Depreciation Protection, Auto Essentials, and a Power Sports Extended Warranty. All of these products can help you protect your vehicle.

**Route 66 Extended Warranty:** Mechanical breakdown protection plans are available for both new and pre-owned vehicles and coverage is transferable if you sell your vehicle before your agreement expires providing added resale value. We also offer a Power Sports Extended Warranty.

**Depreciation Protection:** This is ideal for those who put money down or have enough equity in the vehicle, make accelerated loan payments, desire protection from vehicle depreciation, and peace of mind knowing the money invested in a vehicle could be protected.

**Auto Essentials:** Auto Essentials is a package of coverage that protects you from normal driving incidents and out-of-pocket expenses that aren't typically covered by insurance policies, manufacturer's warranties or extended warranties. Some of the coverages are key or remote replacement, tire and wheel road hazard protection, paintless dent repair, windshield repair, lockout service, towing and more.
